The newest contribution to the teaching of typewriting—you will want to use it daily  
in preparing your lesson plans

# “The Technique of Teaching Typewriting”

By JANE E. CLEM  
*Head of the Typewriting Department*  
State Teachers College, Whitewater, Wisconsin

Written by a teacher of teachers at one of the centers of commercial education, this practical text on typewriting principles and methods gives the prospective teacher a tangible teaching plan that carries him through the complete typewriting-learning program.

## TABLE OF CONTENTS

1. The Teacher of Typewriting
2. The Psychology of Typewriting
3. The Learning Process
4. The Teaching Process
5. The Equipment
6. The Beginner in Typewriting
7. The Relation of Accuracy to Speed
8. The Acquisition of Speed
9. Tests and Contests
10. The Business Letter
11. The Advanced Typist
12. Special Methods and Records
13. Standards of Attainment in Typewriting
14. Grading Methods
15. The Correlation of Shorthand and Typewriting

363 pages; attractive green cloth binding  
\$2.60 less 25% discount (plus postage)

Since this book is by the nature of its contents restricted in its sale to teachers of typewriting, it is impracticable to distribute complimentary copies. Desk copies will be furnished free to instructors of methods courses in which the book is used as a text.

Use the convenient coupon and mail your order at once to our nearest office so that this latest methods book may be put to work to help you make this year a record year for you and your students. (Send no money with the coupon.)
